1 Strike everything after the enacting clause and substitute the
2 following in lieu thereof:

3 "Section 1. Subsection (m) of section 10-264*l* of the 2016 supplement
4 to the general statutes is repealed and the following is substituted in
5 lieu thereof (*Effective from passage*):

6 (m) (1) On or before May 15, 2010, and annually thereafter, each
7 interdistrict magnet school operator shall provide written notification
8 to any school district that is otherwise responsible for educating a
9 student who resides in such school district and will be enrolled in an
10 interdistrict magnet school under the operator's control for the
11 following school year. Such notification shall include (A) the number

12 of any such students, by grade, who will be enrolled in an interdistrict
13 magnet school under the control of such operator, (B) the name of the
14 school in which such student has been placed, and (C) the amount of
15 tuition to be charged to the local or regional board of education for
16 such student. Such notification shall represent an estimate of the
17 number of students expected to attend such interdistrict magnet
18 schools in the following school year, but shall not be deemed to limit
19 the number of students who may enroll in such interdistrict magnet
20 schools for such year.

21 (2) For the school year commencing July 1, 2015, and each school
22 year thereafter, any interdistrict magnet school operator that is a local
23 or regional board of education and did not charge tuition to a local or
24 regional board of education for the school year commencing July 1,
25 2014, may not charge tuition to such board unless (A) such operator
26 receives authorization from the Commissioner of Education to charge
27 the proposed tuition, and (B) if such authorization is granted, such

29 the school year prior to the school year in which such tuition is to be
30 charged to such board of the tuition to be charged to such board for
31 each student that such board is otherwise responsible for educating
32 and is enrolled at the interdistrict magnet school under such operator's
33 control. In deciding whether to authorize an interdistrict magnet
34 school operator to charge tuition under this subdivision, the
35 commissioner shall consider (i) the average per pupil expenditure of
36 such operator for each interdistrict magnet school under the control of
37 such operator, and (ii) the amount of any per pupil state subsidy and
38 any revenue from other sources received by such operator. The
39 commissioner may conduct a comprehensive financial review of the
40 operating budget of the magnet school of such operator to verify that
41 the tuition is appropriate. The provisions of this subdivision shall not
42 apply to any interdistrict magnet school operator that is a regional
43 educational service center or assisting the state in meeting the goals of
44 the 2008 stipulation and order for Milo Sheff, et al. v. William A.
45 O'Neill, et al., as extended, or the goals of the 2013 stipulation and

46 order for Milo Sheff, et al. v. William A. O'Neill, et al., as extended.

47 [(2)] (3) Not later than two weeks following an enrollment lottery
48 for an interdistrict magnet school conducted by a magnet school
49 operator, the parent or guardian of a student (A) who will enroll in
50 such interdistrict magnet school in the following school year, or (B)
51 whose name has been placed on a waiting list for enrollment in such
52 interdistrict magnet school for the following school year, shall provide
53 written notification of such prospective enrollment or waiting list
